Project Gutenberg is a wonderful source of free ebooks - particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail.

### **A Poem For Every Night**

A Poem for Every Night of the Year is an attractive book with a mostly superb range of poems, some well-known, some not. The type face is clear - sharp black print - and in a larger font size than usual. This makes it easier to read than some poetry books with their 'artistic' small pale grey print which you'd need a magnifying glass to read.
