Twenty-second edition of API 1104 is nominally scheduled for 2018. – September 2013 (Twenty-first Edition) plus five years. Incremental improvements to the standard are developed at annual meeting and throughout the year by various subcommittees and task groups Important to occasionally step back and think about where we want to go with the standard in the long term.

Improving API 1104 for the Twenty-second Edition - 2017

API 1104: Standard for Welding. The second time, you add index tabs at the start of each section and the tables. API 1104 does not have an index, so I recommend you make one and add it to the back of the text. Pick key words out of each paragraph and add them to the index.
