Awakened By Autism Embracing Autism

Awakened By Autism is a must read for any parent or person who loves a differently-abled child. Andrea Libutti shares her true-self as she navigates the diagnosis of her son's Autism label and what she has done to physically, mentally, emotionally, and spiritually support him.

Awakened by Autism: Embracing Autism, Self, and Hope for a ...

More than just a practical guide to our children's health, Awakened by Autism is a starting point for healing ourselves and our world. It calls for a paradigm shift surrounding our beliefs about the possibilities for those with autism, allowing us to uncover their hidden brilliance while taking steps to improve their well-being.

Awakened by Autism: Embracing Autism, Self, and Hope for a ...

It is for these very reasons that autism has emerged as an epidemic and a calling for humanity to wake up. We cannot continue to deplete our planet and our souls and still expect our children to thrive. Awakened by Autism is both a memoir and a practical guide for healing our children-and a starting point for healing our planet. See less

Awakened by Autism : A Journey of Embracing Autism, Self ...

According to the Centers for Disease Control and Prevention, Autism spectrum disorder (ASD) is a developmental disability that can cause significant social, communication and behavioral challenges. There is often nothing about how people with ASD look that sets them apart from other people, but people with ASD may communicate, interact, behave, and learn in ways that are different from most other people.
