India's Secular Democracy at the Crossroads | The National ...

With the Forty-second Amendment of the Constitution of India enacted in 1976, the Preamble to the Constitution asserted that India is a secular nation. Officially, secularism has always inspired modern India. In practice, unlike Western notions of secularism, India's secularism does not separate religion and state. The Indian Constitution has allowed extensive interference of the state in religious affairs. India does partially separate religion and state. For example, it does not have an offici

Download Ebook India A Secular Democracy On The Decline

At home and abroad, one of postindependence India's defining characteristics is that the nation has managed to sustain democratic governance in the face of striking ethnic, linguistic, and religious diversity. In the early years after independence, the country's first prime minister, Jawaharlal Nehru, and the ruling Indian National Congress (or Congress Party) advocated for an Indian brand of secularism designed to hold the country's disparate communities together under one roof.
