Ship Muster List

The muster list is posted to keep the crew aware of the different emergency situations and duties to be performed if such situations occur in reality. For this, regular training and drill must be conducted by the master of the ship to ensure that all crew members are familiar with life-saving and fire fighting appliances.

Important Features of Muster List on Ship - Marine Insight

As per SOLAS chapter III, Regulation 8 (Muster list and emergency instructions). A muster list provides crew members with a plan to manage emergency situations. It gives clear instructions to be followed in the event of an emergency for every person on board and ensures that all vital duties are assigned. The muster list also ensures that, on the sounding of the emergency signal, crewmembers and passengers know where to muster.
