## The Anarchical Society A Study

He is the author of On Global Order: Power, Values, and the Constitution of International Society and coeditor of Order and Justice in International Relations, Hedley Bull on International Society, and Inequality, Globalization, and World Politics.

## The Anarchical Society: A Study of Order in World Politics ...

The Anarchical Society: A Study of Order in World Politics is a 1977 book by Hedley Bull and a founding text of the English School of international relations theory. The title refers to the assumption of anarchy in the international system (posited primarily by realists) and argues for the existence of an international society.. The book also outlines Bull's theory of new medievalism.

Abstract and Keywords. The essay discusses the origins and development of the idea of international society in the discipline of International Relations (IR). It locates the concept in the English School tradition, providing a summary of the classic statements as found in the writings of Wight, Bull and Manning.

## **International Society - Oxford Research Encyclopedia of ...**

"International society" is a term of art introduced into the study of international relations largely by a group of scholars working in the United Kingdom in the 1950s and 1960s, often referred to as the "English School" of international relations—and was in part clearly an attempt to distinguish their emphasis from the emphasis on the international system very prevalent in international-relations scholarship in the United States at that time.
